Elmar M. Tolibas

Butuan City, Philippines | +63 9122629935| elmartolibas01@gmail.com

Career Objective

To apply my skills in web development and graphic design in online jobs where I can continue learning, contribute to projects, and gain professional experience in the IT industry.

Education

Bachelor of Science in Information Technology (BSIT)
ACLC College of Butuan | 3rd Year Student | 2022 – Present

Technical Skills

• Web Development: PHP, MySQL, HTML, CSS
• Design Tools: Adobe Illustrator, Photoshop, Canva
• Projects: Profiling Information System (PHP/MySQL), Simple Website Development
• Creative Works: Logos, Posters, Brochures, Tarpaulins

Projects & Experience

Student Profiling Information System

Built using PHP and MySQL for data management.

Simple Website Development

Created a basic website with login and user system using PHP.

Graphic Design Works

Designed logos, posters, brochures, and event tarpaulins for school and local events using Photoshop, Illustrator, and Canva.

Part-Time Security Guard – ACLC College Campus

Ensured campus safety and security while balancing academic responsibilities. Gained discipline, responsibility, and time management skills.

Strengths

• Hardworking and Responsible
• Fast Learner and Adaptable
• Creative with an eye for design
• Ability to balance work and studies
